Ref No. 3010-A/40

Station Madras, Dated the 6th July 1940.

From (Name) Major General N. ... Wilson, C.I.E., ..., K.H.P., I.M.S.,
(Designation) Surgeon-General with the Govt. of Madras.

To The Secretary to the Government of Madras,

PUBLIC HEALTH Department.

Sir,

I have the honour to state that at present there is no X Ray apparatus installed in the Headquarters Hospital, Mangalore and as the nearest Government X-Ray Institute is at Coimbatore, a fairly long distance, it was thought not advisable to incur large expenditure on railway fare etc. in sending patients to that Institute. Considerable number of cases requiring X-Ray examination had therefore to be diagonised clinically and treated. In view of the increasing popularity of the hospital, a large number of cases requiring X-Ray examination as an aid to proper diagnosis, arise frequently. It is therefore very essential

essential that early arrangements should be made for X-Ray examination of such indigent patients in that hospital.

The District Medical Officer, South Kanara who was asked to submit proposals for giving effect to the above scheme reports that there are at present two equally equipped private X-Ray Institutes in Mangalore, Viz., (1) Electro-medical and Surgical Hall and The X-Ray Institute, (2) Father Muller's Charitable Institution; and that as the former is nearer to the Headquarters Hospital, the patients for whom X-Ray photos have to be taken, may be sent to that Institute for the necessary examinations or skiagrams.

I, therefore, request that the Government may be pleased to approve of the proposal and to permit the District Medical Officer, South Kanara, to send the indigent patients to the private X-Ray Institute referred to above whenever necessary and to sanction the rates scheduled in the enclosed statement as in the case of Government Headquarters Hospital, Palamcottah, Vide G.O.No.Ms.2365/P.H., dated 17--9--1937.

The arrangement will be discontinued when an X-Ray plant is installed in the Headquarters Hospital, Mangalore.

I have the honour to be,

Sir,

Your most obedient servant,

Dob II Exp

Vide G.P. : Part II Scheme note at (R).

X-ray apparatus in the Headquarters hospital at Mangalore was considered as a Part II Scheme for 1939-40 but funds were not provided for the scheme. It is understood from E.P.H. that there is at present no proposal under consideration for the installation of an X-ray plant in the above Hospital.

'B' on p. 2 c.f.

2 The S.G.'s proposal to send indigent patients in the hospital requiring X-ray examination to the private X-ray institute referred to at 'A' on p. 2c-f. and to pay at the rate specified on p. 3 c-f. follows the precedent in G.O. 2365 P.H. dt 17-9-1937. No idea is however given of the extra expenditure which the Govt. will have to incur if the proposal is accepted.
